

DMV DRIVER RECORDS

Effective March 20, 2019, driver records formerly referred to as an "H6" or "10 year record" that included information intended for internal department purposes are no longer available. Driver records will only include all reportable information: convictions for three, seven, or ten years, departmental actions, and accidents on a person's driver record as required by *California Vehicle Code §1808*.

You can save time and money by requesting your driver record online for \$2.00 at:
dmv.ca.gov/portal/dmv/detail/online/dr/welcome.

Customers also have the option of requesting their driver record at any field office or from DMV headquarters by submitting a Request for Own Driver License/Identification Card (DL/ID) or Vehicle/Vessel Registration (VR) Record (INF 1125) form and paying the \$5.00 fee. The INF 1125 form is available at any field office and on the DMV website at **dmv.ca.gov**.
